

# Gonna Take a Lot of River

The Oak Ridge Boys

I ain't gonna ride no rail or hitchhike down no highway  
I ain't going nowhere feeling the way I do.  
Because my baby's long gone and nothings going my way  
I'm gonna let this muddy water just wash away my blues.

It's gonna take a lot of river,  
To keep this broken heart afloat,  
Gonna take a lot of river  
Running all the live long day,  
Gonna take the Mississippi, the Monongahela and the Ohio,  
Gonna take a lot of river  
To wash these blues away.

Well, I wish I was tug boat pushing and pulling them barges along  
Moving on the water with a heart made of iron and steel  
There wouldn't be no women who could ever take my loving and do me wrong  
I could work all day with nothing in the world to feel.

It's gonna take a lot of river,  
To keep this broken heart afloat,  
Gonna take a lot of river  
Running all the live long day,  
Gonna take the Mississippi, the Monongahela and the Ohio,  
Gonna take a lot of river  
To wash these blues away.

Is she in New Orleans  
Is she a cajun queen  
I wonder what she's doing now  
But if I know her she's got rings and furs,  
Struggling along somehow  
Struggling along somehow.

It's gonna take a lot of river,  
To keep this broken heart afloat,  
Gonna take a lot of river  
Running all the live long day,  
Gonna take the Mississippi, the Monongahela and the Ohio,  
Gonna take a lot of river  
To wash these blues away.

It's gonna take a lot of river,  
To keep this broken heart afloat,  
Gonna take a lot of river  
Running all the live long day,  
Gonna take the Mississippi, the Monongahela and the Ohio,  
Gonna take a lot of river  
To wash these blues away.  
It's gonna take a lot of river  
To wash these blues away.
