

In the Pines

The Oak Ridge Boys

In the pines, in the pines
Where the sun never shines
And you shiver when the cold wind blows

Little girl, little girl what have I done
That made you grieve me so
You caused me to weep
You caused me to moan
You caused me to leave my home

The longest train I ever saw
Went down that Georgia Line
The engine passed at six o'clock
And the cab went by at nine

The longest train I ever saw
Was nineteen coaches long
The only girl I ever loved
Is on that train and gone
