

Love Takes Two

The Oak Ridge Boys

Love takes too much time
Love is too hard to find
And I've heard that it's blind anyway.
Love is too involved - too easily dissolved
And 'I do' is just too hard to say.

You want diamond rings and forever things
Seems like all that means so much to you.
Take my advice you had better think twice
Baby your just one and love takes two.

Love takes too much trust
It is all the way or bust
You can't let it rust or run away
Two people caring, two people sharing
All their hopes and dreams that they have ever made.

Let's make one thing clear you won't ever hear
That old 'I love you dear' but if you do
You'll know that I am for real - that's exactly how I feel
'Cause I'm one of those that love takes two, yes it do
I'm one of those that love takes two.
