

Take This Heart

The Oak Ridge Boys

Take this heart, give it to a charity
Take this heart, give it to the poor.
Take this heart and give it to the Salvation Army
I don't think I need it anymore.

Dear God, I'm writing you these words
'Cause I know you'll understand.
Dear Lord I'm sending you this letter
'Cause I got to leave it in your hands.

My girl, she said she had to leave
This time she said there was no doubt
No doubt about it.
I wore my heart upon my sleeve
Now I guess I wore it out.
