Trying To Love Two Women

The Oak Ridge Boys

Trying to love two women is like a ball and chain Trying to love two women is like a ball and chain Sometimes the pleasure ain't worth the strain It's a long old grind, and it tires your mind.

Trying to hold two women is tearing me apart Trying to hold two women is tearing me apart One's got my money, the other's got my heart It's a long old grind, and it tires your mind.

When you try to please two women, you can't please yourself When you try to please two women, you can't please yourself At best it's only half good; a man can't stock two shelves It's a long old grind, and it tires your mind.
