

## When Karen Comes Around

The Oak Ridge Boys

Thought I had my life together,  
Things were going so fine  
We encountered stormy weather  
But we always found the sunshine.  
I thought I'd covered everything  
Everything that life could bring and more.  
But I forgot to close one door.

When Karen comes around  
I don't know what to do.  
I doubt everything I've found  
My heart divides in two.  
When Karen goes away  
For me it's never through.  
My world turns upside down  
When Karen comes around.

Did I plan too far ahead?  
I don't know, it's hard to tell.  
I made my choice, I made my bed  
But lately I don't sleep so well.  
I really thought we had it all  
Stone by stone I'd built a wall around you,  
Oh but then out of the blue.

Karen comes around  
And I don't know what to do.  
I doubt everything I've found  
My heart divides in two.  
When Karen goes away  
For me it's never through.  
My wall comes tumbling down  
When Karen comes around.

Karen comes around  
And I don't know what to do  
I doubt everything I've found  
My heart divides in two.  
When Karen goes away  
For me it's never through.  
My wall comes tumbling down  
When Karen comes around.
