

You Made a Rock of a Rolling Stone

The Oak Ridge Boys

Like a stone I was rolling
Oh the highway was the only way I'd known
I could go where I wanted
But I always had to go it all alone
And having nothing was having a lot
Until your loving made me wanna stop

You made a rock of a rolling stone
You made me a man worth leaning on
You gave my heart a home
Before I was too far gone
You made a rock of a rolling stone

As I lay here beside you
I can finally lay my leaving ways to rest
At a pace left to turn to
Now that I have found the place I love the best
I wouldn't go back even if I could
Need you so bad I'll be here for good

I had to go all those miles to see
What was right in front of me
