

Bitter

The Ocean Blue

Bitter,
Bitter what's your name?
You see, I see so much of you anymore
You're the same
Stuff it all in and you shout it all out
Bitter, bitter, bitter
Make it all dim and parade it about
Bitter, bitter, bitter
Bitter is your name
Pity,
Pity what's your game?
You know I see so much of you anymore
you're a pain
Stuff it all in and you and you shout it all out
Pity, pity, pity
Make it all dim and parade it about
pity, pity is your game
Bicker,
Bicker what's your name?
You see, I see so much of you anymore
You stuff it all in and you shout it all out
Bicker, bicker, bicker
Make it as dimm and parade it about
Bicker is your aim
Bitter is your name
