

# Lonesome They Call Me, Lonesome I Am

The Osmonds

Lonesome they call me,  
lonesome I am  
Just take a look now baby,  
at a good lonesome man  
Since the time you left me,  
wow, ain't nothing here to do  
But sit here and cry now, oh,  
feeling lonesome for you

Lonesome for someone,  
what do you do?  
I'm lonesome for someone,  
I'm lonesome for you  
Lonesome for someone,  
what do you do?  
I'm lonesome for someone,  
I'm lonesome for you

Till my chance can come again,  
and baby, if and when  
I wouldn't be so lonesome  
to know I was just your friend  
Just take a look now darling,  
and see a lonesome man  
Lonesome they call me  
and lonesome I am

Lonesome for someone,  
what do you do?  
I'm lonesome for someone,  
I'm lonesome for you  
Lonesome for someone,  
what do you do?  
Lonesome for someone,  
I'm lonesome for you

Since the time you left me  
ain't nothing here to do  
But sit here and cry, baby,  
and being lonesome for you  
Nothing seems to be the same girl, since you let me down  
Lonesome they call me, and lonesome's what I am.

Lonesome, Lonesome,  
what do you do?  
Lonesome, for someone,  
I'm lonesome for you

Lonesome for someone,  
what do you do?  
Lonesome for someone,  
I'm lonesome for you

Lonesome for someone,  
what do you do?  
Lonesome for someone,  
I'm lonesome for you
