

Soldier of Love

The Osmonds

So you heard that I'm a rebel with a heart made of stone
I got a restless spirit that nobody can own
If a picture tells a story won't you listen to mine
I'm searching for the answer but it's so hard to find

You'll see much deeper when you read between the lines
'cause there's a fire burning in my eye

Like a thief in the night, who can't get enough
I am willing to fight
'cause I'm a soldier of love
Like a shot in the dark when the going gets rough
It's a state of the heart
When you're a soldier of love

I'm willing to fight

Love can be so heartless when you turn out the lights
A mutual surrender in the heat of the night
Life's an empty picture when you're living alone
Well, maybe that's the reason every heart needs a home

Each time I fall down, I get on my feet again
I'm gonna win this battle in the end

Like a thief in the night, who can't get enough
I am willing to fight
'cause I'm a soldier of love
Like a shot in the dark when the going gets rough
It's a state of the heart
When you're a soldier of love

You'll see much deeper when you read between the lines
'cause there's a fire burning in my eye

Like a thief in the night who can't get enough
I am willing to fight
'cause I'm a soldier of love
Like a shot in the dark when the going gets rough
It's a state of the heart
When you're a soldier of love

Sha la la la la la la
When the going gets rough
Sha la la la la la la
I'm a soldier of love
