

All the Love in the World

The Outfield

I can't believe the
things that happen to me
I guess that I should
have seen a long long time ago
Letters you write don't
help me get through the night
So I'll just turn out the light
and sleep here all alone

(chorus)
(All the love)
All the love in the world
(All the love)
I'll be sending you girl
(All the love)
All the love in the world

Time after time I put
my life on the line
But I ain't committed no crime
so take what you can find
Forget what I say
'cause I'll keep running away
I only live for today
but I'm one day behind

(chorus)

These are the words that I
whisper on every first night
but that day you left me
those words were on
that same flight

I can't believe the
things that happen to me
I guess that I should
have seen a long long time ago
Letters you write don't
help me get through the night
So I'll just turn out the light
and sleep here all alone

(chorus 2x to fade)
