

My Girlfriend's Girlfriend

The Outfield

She was my girlfriend's girlfriend
(Yeah)
I woke up in someone's bed
I couldn't remember what happened last night
I heard a voice then someone said
Roll over, baby, don't be wasting my time
La, la, la, la, la, la, la, la
I prayed for someone I'd recognize
La, la, la, la, la, la, la, la
I didn't know that I was in for one great big surprise
She was my girlfriend's girlfriend, yeah
She was my girlfriend's girl
I turned around unsure
She looked so good
You could have picked me off the floor
This is cool, this is it
I feel so bad I can't remember what we did
La, la, la, la, la, la, la, la
She said, 'boy you'd better open your eyes?
La, la, la, la, la, la, la, la
In walked my girlfriend, she jumped on the other side
She was my girlfriend's girlfriend, yeah
She was my girlfriend's girl
La, la, la, la, la, la, la, la
She said, 'boy you'd better open your eyes
La, la, la, la, la, la, la, la
In walked my girlfriend, she jumped on the other side
She was my girlfriend's girlfriend, yeah
She was my girlfriend's girl
She was my girlfriend's girlfriend, yeah
She was my girlfriend's girl
She was my girlfriend's girlfriend, yeah
She was my girlfriend's girl
