The Outfield

Young Love - bigger than anything You're waitin' for a girl to ring Talkin' bout young love

And I don't want anyone else to call your name
And I don't think anyone else could feel the same

I can't stop thinkin' about The way she's holding it out I'm talkin' bout young love

Young love - bigger than everything Shines like a diamond ring Talkin' bout young love

And I don't think anyone else could understand And I don't want anyone else to be your man

And I don't want anyone else to call your name
And I don't think anyone else could feel the same

Young love - bigger than everything Waitin' for the bells to ring Talkin' bout young love

Na na na na - na na na na na young love Na na na na - na na na na na young love
