

Saved By The Bell

The Outlaws

Ooh ooh ooh ooh yeah

I heard you gave me up for lost
But you can't keep a good man down
Fought my battles at any cost
Always stood my ground
But comes a times
When the danger signs
Meet you face to face
Only a fool wouldn't turn around
You were in my corner
When I heard the sound

Saved by the bell
I heard your love
Ringin' in my heart
Saved by the bell
Givin' me a brand new start
Now there's Heaven
Where there once was Hell
Saved by the bell

So many years an uphill climb
And so much sacrifice
But we both know
We'll have our time
God knows we've paid the price
I believe we will someday
Weave a tale to tell our kin
There'll be no talk about givin' up
We'll go the distance
With a little luck

[Repeat Chorus]

Ooh ooh ooh ooh ooh ooh ooh ooh

There'll be no talk about givin' up
We'll go the distance
Cause we've been
Saved by the bell (bell)
Saved by the bell, oh oh yeah yeah
I was saved by the bell
(Saved by the bell)
Is that your love ringin'
In my heart
Saved by the bell
(Saved by the bell)
Ooh ooh yeah yeah yeah
Heaven where there once was hell
Oh ah
Saved by the bell
(Saved by the bell)
Ooh ooh ooh ooh
Oh oh whoa
Saved by the bell
(Saved by the bell)

I bet you gave me up for lost
I was saved by the bell
(Saved by the bell)
yeah yeah
