

# Tomorrow's Another Night

The Outlaws

Tomorrow's another night  
Maybe the light will shine on me

Space coast cowboys on a rocket ride, 1972  
Burnin' our name across the midnight sky  
Playin' out a dream come true  
Cheap hotels and whiskey bars  
Endless journeys on fast guitars

Tomorrow's another night  
Maybe the light will shine on me  
Takin' what I'm given and I hold on tight  
Win or lose, it's gonna be alright  
Cause tomorrow's another night

Hum of the highway and the diesel's roar  
Sounds like music to me  
The crowd's gettin' bigger and they all want more  
Welcome to the land of the free  
Small time hustlers with big ideas  
There's only one way out of here

Tomorrow's another night  
Maybe the light will shine on me  
Takin' what I'm given and I hold on tight  
Win or lose, it's gonna be alright  
Cause tomorrow's another night

Stand in the sorrow in a field of stones  
To make up what I wanted to say  
Headed on my own into the great unknown,  
Letting go of yesterday  
I can't go back, got too much I know  
It's hard to hold on but I can't let go

Tomorrow's another night  
Maybe the light will shine on me  
Takin' what I'm given and I hold on tight  
Win or lose, it's gonna be alright  
Cause tomorrow's another night

Tomorrow's another night!  
Whoo!
