

Bar Hoppin'

The Ozark Mountain Daredevils

I'm goin' out bar hoppin'
Yeah be-boppin'
There won't be no stoppin' me tonight
I'm goin' mini-skirtin'
I might go wet-t-shirtin'
Won't be no final curtain
'Til the broad of daylight

You can call me a hard hat, wild cat
I don't know, I may be like that
A redneck, a bad check
But I don't care what you expect
'cause I work hard everyday
And I'm gonna spend every dollar I make
And when the sun goes down, I'll be gone

I'm goin' out bar hoppin'
Yeah be-boppin'
There won't be no stoppin' me tonight
I'm goin' mini-skirtin'
I might go wet-t-shirtin'
Won't be no final curtain
'Til the broad of daylight
(Whooo, I love ya man)

I run that ol' drag line, rain or shine
All day long I hear the diesel whine
There's so much smoke, it makes me choke
It ain't fun, that's no joke
Whistle blows, I punch that clock
The good Lord knows, it's time to rock
And when the sun goes down, I'll be gone

And I'm goin' out bar hoppin'
Yeah be-boppin'
There won't be no stoppin' me tonight
I'm goin' mini-skirtin'
Might go wet-t-shirtin'
Won't be no final curtain
'Til the broad daylight

C'mon lets go bar hoppin'
Yeah be-boppin'
There won't be no stopping us tonight
Hey let's go bar hoppin'
'Til the broad of daylight
