

Young Love In The Garden

The Paramedic

Hard to
Place a finger on
And just when you do
The feeling is gone

(If you don't know)
(now you know)
(If you don't know)
(now you know)
I don't want this to stop
You've had my heart
From the beginning
Don't let it go
Do let it go

It's funny how
Absence makes the heart grow
Fonder
But consequently
It can make the heart go
Wandering
(wandering)

(If you don't know)
(now you know)
(If you don't know)
(now you know)
I don't want this to stop
You've had my heart
From the beginning
Don't let it go
Do let it go

Baby just
Give it time
It will be OK
Baby just
Give it time
It will be OK
Give it time
Time

Give it time

(If you don't know)
(now you know)
(If you don't know)
(now you know)
Don't let it go
