

Doe Eyed Dear

The Parlor Mob

I'm gonna chase you out of my dreams were you are but welcome
I politely ask you to leave yet still you won't go
As for how you became here that's something I don't want to mention
And for a while I allowed you to stay for so I long I'll never know
Away from here my doe eyed deer
Away from here my doe eyed deer
You're beautiful but you're out of your mind
There was a time I would have done anything for you
There was a time when I did not feel so ill at ease
Now if I saw you I'd do what I could to ignore you, to overtake you
And get out of there quick before I found myself back on my knees
Away from here my doe eyed deer
Away from here my doe eyed deer
You're beautiful but you're out of your mind
Out of your mind
Away from here my doe eyed deer
Away from here my doe eyed deer
You're beautiful but you're out of your mind
You're beautiful but you're out of your mind
