Magazines and afternoon dreams get me through the day  $\mbox{\fontfamily{180}{$A$}}\m$ 

I left home, it seems like, a century ago
I never thought I could miss anybody so, but now I know

## [Chorus]

Everywhere I go, everything I do
Every song is you
Searched my mind just to find
Something I always knew
Everywhere I go, everything I do
Every song is you
Searched my mind just to find
Something I always knew
Every song is you

Singing man with a six-piece song band, answer to my dreams
And everytime I sing without you, how lonely it seems
I love you now like I never loved you before
Each day that goes by, I find that I want you so; I need you mo

## [Chorus]

Everywhere I go, everything I do
Every song is you
Searched my mind just to find
Something I always knew
Everywhere I go, everything I do
Every song is you
Searched my mind just to find
Something I always knew
Everywhere I go...
