

# I Think I Love You

The Partridge Family

Ba ba ba ba ba ba ba  
Ba ba ba ba ba ba baaa

I'm sleeping  
And right in the middle of a good dream  
Like all at once I wake up  
From something that keeps  
Knocking at my brain  
Before I go insane  
I hold my pillow to my head  
And spring up in my bed  
Screaming out the words I dread

I think I love you  
(I think I love you)

This morning  
I woke up with this feeling  
I didn't know how to deal with  
And so I just decided to myself  
I'd hide it to myself  
And never talk about it  
And did not I go and shout it  
When you walked into the room

I think I love you  
(I think I love you)

I think I love you  
So what am I so afraid of?  
I'm afraid I'm not sure of  
A love there's no cure for  
I think I love you  
Isn't that what life is made of?  
Though it worries me to say  
That I've never felt this way

(instrumental break)

I don't know what I'm up against  
I don't know what its all about  
I got so much to think about

Heyyyyyyy  
I think I love you  
So what am I so afraid of?  
I'm afraid that I'm not sure of  
A love there is no cure for  
I think I love you  
Isn't that what life is made of?  
Though it worries me to say  
I've never felt this way

Belive me  
You really don't have to worry  
I only want to make you happy  
And if you say "hey go away" I will

But I think better still  
I better stay around and love you  
Do you think I have a case  
Let me ask you to your face

Do you think you love me?  
I think I love you  
I think I love you  
(I think I love you)  
I think I love you  
(I think I love you)  
I think I love you  
(I think I love you)  
I think I love you  
(I think I love you)
