

There'll Come A Time

The Partridge Family

There'll come a time, I know, you might see me after a show
Maybe there'll be no one else around
Just take a good look at me if you forget just who I might be
Don't be surprised if someone real is found

[Chorus]

You know I got feelings just like you
When I get lonely I cry too
Can't you see I'm not a circus clown?
And if you think you like what you see
How 'bout coming along with me?
Take a chance on someone who's been down

Oooo

Do do do do doo do do do do do do do do do do do do do do do

Don't let me walk by alone, 'cause I'd have stopped if I had known
You'd care to know who I was inside

[Chorus x 2]
