One More Heartache

The Paul Butterfield Blues Band

One more heartache, baby, I can't take it, now My heart is carryin' such a heavy load One more ache would break it Just like the camel with the heavy back, yeah One last straw, they say broke the camel's back Oh baby, oh, I can't take it, babe I can't stand it, now One more heartache, it would turn me right around First you build my hopes up high then you let me down Like the house's built from toothpicks stacked upon the kitchen table One last toothpick tore it down, the foundation was not able Oh, baby, oh, I can't take it, babe I can't stand it, now, oh One more heartache One more heartache, baby, I can't take it, now My heart is carryin' such a heavy load One more ache would break it Just like the camel with the heavy back, yeah One last straw, they say broke the camel's back Oh baby, oh, I can't take it, babe I can't stand it, now One more heartache, baby One more, now, heartache, baby Without your love, I [Incomprehensible] baby Now, I can't stand it no longer Oh, baby, ooh, come on Won't you listen to my plea?

Oh please, baby, oh please, baby
