

Otha Fish

The Pharcyde

Yeah, bam, bam, bam, heyya, whassup, yeah
We was like that you know
Yeah, and I bet you got layed back
Yeah, I'ma uh, I'm a just sit in here for a couple of hours
Man, don't sweat it, yo, we gonna catch some stuff, dude
Oh no, I'm kinda tired
Nah, we got a basket, we're gonna fill this basket
Before we go, yo, aight, bro
'Cuz there are otha fish

It took a second to register up in my branium
My dome, my head, my skull, my cranium
My eyes have had enough, it was time to do some talkin'
I had to creep through the hound dogs that were stalkin'
This slimmy caught me peepin', this means she wasn't sleepin'
On who I was, so she crept in like a hawk
In a minute's time, we adjourned to the floor
Ooh, I hit a high note 'cuz of the way that she was walkin'

We got into the groove, I didn't bust no, uh, hip hop moves
I just kept it nice and smooth
Next thing you know, we got together, word, I thought we'd be forever
Didn't have an umbrella, now I'm soaked in stormy weather
Whether two birds of a feather fly or fall it'll be together
Never sympin' and leave your love life limp
There'll be no suicide attempts for this slim trim kid
'Cuz you know there's otha fish in the sea, that is in the sea
In the sea that is

(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is

I reminisce, try to clear up all the myths
For an imaginary kiss with you again
Not even friends, though I wish that I could mend
Like a tailor and be Olive Oil's number one sailor
I ams what I am, still I falls like an anvil
She's heavy on the mind, sometimes it's more than I can handle
But men aren't supposed to tumble into the den B

Macho, but I hanchio like Pancho will give in
Family oriented, but not Oriental
A dame is supposed to claim ya even if you drive a Pinto
A hero is a sandwich, and a Manwich is a meal
A marriage is a paper, are they fakin' or for real?
What's the deal dabbers? Will you go tumbling after
Your man and take a stand or will you help him roll faster?

The reason why I ask you is because I'm sick of this
Bitch lickin' drip, drip from a niggaz benefits
He doesn't even suit ya and he's surely not ya size
I'm surprised that you slept on a heart that's worldwide
And when ya open up ya eyes, babe, my mate, I really wish

That ya don't bruise a limb, as ya swim with Otha fish in the sea
In the sea that is

(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is

Now, if there ain't no mountain high enough
Why ain't you climbin' up?
My hand has been extended every since the day I lent it to ya
I thought I knew ya, but I didn't even know ya
Bro, you're stupid 'cuz ya thought you'd catch a Cupid
And you found that love ain't two whiffs of shit, so I resign or quit
It ain't even about the hips, or the lips or the tits
Or even the pussy whip, Elizabeth, this is it
Because I slipped and I tripped into a shoe that didn't fit

And now the next man is stealing my heart away
I'd charge him like a bull, but his pull never fades me
The kid is going crazy, they steppin' with my lady
They workin' on a baby, I'm pushin' up the daisies
But, hey diddle diddle, I won't play second fiddle
To no man and stand firm on this
And seal up on the bliss with a big juicy kiss
Just call me Big Gibraltar miss
No, I won't diss, I'm just like on to otha fish in the sea, in the sea that
is

(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is
You know there's otha, you know that there's otha

(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is

(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's Otha fish in the sea that is

(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is

(In the sea)
You know there's otha fish in the sea that is

(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is

(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is
(In the sea)
You know there's otha fish in the sea that is
(In the sea)
