

# Patience

The Pierces

Maybe you like the chains  
Maybe you like the grace  
To see this for what it really is  
Baby I need some space  
Cause love I can see your face  
So close to mine  
Close to mine

I need you to just be patient  
I need you to just be patient  
Love  
Love  
Love

Baby don't take my heart  
Cause it's the only part  
That is my own  
Is my own  
Baby you need my cry  
Darlin' just know that I  
Sometimes need to be alone

I need you to just be patient  
I need you to just be patient  
Love  
Love  
Love

I need you to just be patient  
I need you to just be patient  
Love  
Love  
Love
