

The Power Of Love

The Pigeon Detectives

The power of love is a curious thing
Make one man weep and make another man sing
Change a hawk into a little white dove
More than a feeling, that's the power of love

Tougher than diamonds and rich like cream
Stronger and harder than a bad girl's dream
Make a bad one good, make a wrong one right
Power of love, it keeps you home at night

You don't need money, don't take fame
Don't need no credit card to ride this train
It's strong and it's sudden, it can be so cruel
But it might just save your life
That's the power of love
That's the power of love

Firsttime you feel it, it might make you sad
Next time you feel it, it might make you mad
But you'll be glad, baby, when you've found
That's the power makes the world go 'round

It don't take money, don't take fame
Don't need no credit card to ride this train
It's strong and it's sudden, it can be so cruel
It might just save your life

They say that all in love is fair
Yeah, but you don't care
But you know what to do
When it gets hold of you
And with a little help from above
You feel the power of love
You feel the power of love

It don't take money, it don't take fame
Don't need no credit card to ride this train
Tougher than diamonds and stronger than steel
You won't feel nothin' 'til you feel

That's the power of love
Just the power of love
That's the power of love
That's the power of love
Feel the power, feel the power of love
Feel the power, feel the power of love
Feel the power, feel the power of love
Feel the power
That's the power of love
