```
This is not what you,
This is not what you,
This is not what you,
Throw the day with me,
It is alright here, it is alright here,
Walk on and wish with me,
It's alright here, it is alright
And I will long to be you,
Too long, too long to wait for,
Pieces don't fit,
Aren't fit to be you,
It's gone, you're gone, you're gone
This is not what you,
Find another way, from me,
It's all out there,
There's nothing out there
And I will long to be you,
Too long, too long to wait for,
Pieces don't fit,
Aren't fit to reach you,
It's gone, you're gone, you're gone
This is not what you...
```
