

Contact

The Pointer Sisters

Quick side glances
Flashes and silhouettes
Slow advances
Bringing us closer yet
Red temptation
Hiking my Fahrenheit
This ain't just flirtation
Still it might take all night
Near miss indecision
Passing on the stair
Headed for collision
Just tell me where

Chorus:

I want contact
Wanna make contact
Take away this ache in my heart
Contact
Wanna make contact
Let the festivities start
Contact, contact
I need a little lovin' tonight
C'mon rock me don't let go
I don't wanna be alone

You see I've been lonely
And for too long I pitied myself
'Cause my one and only
Only cared for someone else
(somebody else)
I'm through crying
Nobody's got to dry my eyes
I'm off and flying
Lookin 'for a contact high
Near miss indecision
Passing on the stair
Headed for collision just
Tell me where

Chorus

Coming nearer
Getting clearer
Moving so close
Now we 're almost

Chorus
