

# Take My Heart, Take My Soul

The Pointer Sisters

Hey boy, what you tryin' to do  
Are you tryin' to make me  
Fall in love with you

I said hey boy  
Somethin's goin' on  
Maybe I've been holdin' out  
For far too long

Come and get it  
If my love looks good to you  
Come and get it  
Honey why don't you

Take my heart, take my soul  
Take the wheel, take control  
Take my life, in your hand  
Make my world, wonderland

You've been right here on my mind  
When I look into my heart  
It's you I find yeah  
Baby, you mean everything to me  
'Cause there's nothing else my eyes  
Would rather see

Come and get it  
If my love looks good to you  
Come and get it  
Honey why don't you

Take my heart, take my soul  
Take the wheel, take control  
Take my life, in your hand  
Make my world, wonderland
