I change my clothes ten times before I take you on a date I'm in a cold sweat, I panic, and it makes me late I knew you never asked for this I know
My shots will always misfire
My shots will always miss

Does everyone stare this way at you? I only look this way at you

I change my clothes ten times before I take you on a date I get the heebie-jeebies, and my panic makes me late I break into a cold sweat reaching for the phone I let it ring twice before I chicken out and decide you're not at home

Does everyone stare the way I do? I only stare this way at you

I never noticed the size of my feet Until I kicked you in the shins Will you ever forgive me For the shape I'm in For the shape I'm in

Does everyone stare the way I do? I only stare this way at you

I'm gonna write you a sonnet but I don't know where to start I'm so used to laughing at the things in my heart
Last of all I'm sorry 'cos you never asked for this
I can see I'm not your type and my shot will always miss
(Always miss)

Does everyone stare the way I do? I only stare this way at you

Does everyone stare the way I do? I only stare this way at you

Does everyone stare the way I do? I only stare this way at you
