

## Crying

The Poodles

Another day  
I loose direction  
Memories of yesterday, they call  
Keeps me feeling small  
I use to feel, the sweet conviction  
Now I walk to crucifixion  
Please, won't you catch me when I fall  
But I can't take the screaming anymore  
Still, there's nothing like your kisses, I recall  
[Refrain:]  
You know I'm trying, denying  
That you don't love me anymore  
You're closing all your doors  
Inside I'm crying, I'm fighting  
To find the way back to your heart  
But I break before I start  
I can't give up, to expectations  
Now you leave your resignation  
I, will miss you when you're gone  
I guess, you can't take the screaming anymore  
Remember all my kisses, like before  
I know I can't refuse the call  
And your silent says it all  
It's over  
Don't leave me standing here  
You know I'm trying, denying. (Oh, I can feel your sweet conviction.)  
No, won't you crucifixion  
Inside I'm crying, I'm fighting  
To find the way back to your heart  
But I break before I start  
Another day  
I loose direction  
Memories of yesterday, recall  
Keeps me feeling small
