

Flesh And Blood

The Poodles

Here I am in all my pride
You can run but you can not hide
I had enough it's time to kiss you off
Say bye, bye to my heart for good
Don't deny now it's understood
I gave you my body, I gave you my soul
I'm going out of control
Oh don't say you're sorry
No I don't believe you
I love you, I hate you, I just can't relate to
All your promises
'Cause I want flesh & blood
All this time I trusted you
Now I know what I have to do
I had enough it's time to blow you off
I am strong I have no doubt
Tainted love I can do without
I'm taking my body, I'm taking my soul
I'm taking control
Oh don't say you're sorry
No I don't believe you
I love you, I hate you, I just can't relate to
All your promises
'Cause I want flesh & blood
I see through lies and walk through pain
I live to love again
