

Now Is The Time

The Poodles

This is a message to all my friends
This is a letter that wasn't sent
A call of arms to fight
Into the dark of night

This is a chance to start again
This is a chance to make amends
To heed the lonely cry
To give it one last try

Oh, I need you by my side
Oh, Tonight we ride

We're lost in time, out of mind
Waiting for a light to shine
There's a chance for us tonight
Let them know; We live for the fight!
Now is the time

This is the time to let you know
This is the only way to go
The key for one more turn
The answer you must learn

This is the time and place my friend
There's no reason to pretend
The moment to speak the truth
This is the time to choose
