1. Here comes the darkness  
It's eating all my soul

**Ami**

Now all of the sparkles  
Are out of control

**F**

This fire is raging  
I can't find the door

**Dmi**

I just want to die here

**E7**

But you wanted more

**Ami**

R: You want be to burn

**F**

Want me to burn

**Dmi**

Want me to hurt

**E7**

And maybe I will finally learn

**Ami**

**C**

It's eating all my brain

**Ami**

Now that the light  
Has driven me insane

**F**

This fire is blazing  
And I'm still inside

**Dmi**

I just want to die here

**E7**

You won't let me out alive

**Ami**

R: You want be to burn

**F**

Want me to burn

**Dmi**

Want me to hurt

**E7**

And maybe I will finally learn
