

Rainin' in My Heart

The Pretty Things

Rainin' in my heart
Since we've been apart
I know I was wrong
Baby, please come home

You got me cryin'
'Bout to lose my mind
Don't let me cry in vain
Try my love just once, again

(harmonica & instrumental)

Honey, I need your love
Baby, i don't know why
If you don't come back anymore
I'll just sit there and cry

You got me cryin'
'Bout to lose my mind
Don't let me cry in vain
Try my love just once, again
