

## Make Me A Chevy

### The Promise Ring

Make me a Chevy because an old Chevy made me.  
And a young one makes me a Chevy.  
Where would I go and how do I explain your body to the rest of  
my day.  
I'm not as good as the interstates are I just can't take you th  
at far.  
Maybe Dick Clark and Davey move a car  
but not as good as the interstates are.  
I can't take you that far away.  
So stay.
