## The Prostitutes

Boom  
My heart goes boom  
When I see you today  
When I see you this way  
My heart goes boom  
Hold  
Come and hold me tight  
I don't want it to go away  
I don't want it to go away  
If it takes my life  
Boom  
My heart goes boom  
When I see you this way  
When I see you today  
My heart goes boom  
Boom  
My heart goes boom  
I don't want it to go away  
I don't want it to go away  
My heart goes boom  
And I know that I would rather  
Die than fade away  
And I want to be beside you  
Until my dying day  
My heart goes boom  
Boom boom boom let me hold you baby  
Boom boom boom let me take you maybe  
I know I'm not the kind of low life, your gonna stay with baby  
  
Boom boom boom let me hold you baby  
Boom boom boom let me take you maybe  
I know I'm not the kind of low life, your gonna stay with baby  
  
Boom  
My heart goes boom  
When I see you today  
When I see you this way  
I know I'm not
