## The Prostitutes

I'm an elephant  
Walking through the jungle  
Picking up the loose wood  
Lying around here  
I've been walking for ten days straight now  
I'm getting kinda hungry today  
Lookin for some bamboo  
But all I hear is hut hut  
I need a little rest now  
I need to have a break  
Walking through the jungle  
Pickin up the loose wood  
And I think its about time  
To get outta here  
Would you like to come home  
>From picking up the loose wood  
I'm getting kinda hungry  
But there aint no bamboo around here  
I'm an elephant walking through the jungle  
And I think its about time to sleep  
I've been thinking  
I have a very good life  
I get to go to bed at night  
Even if its just on my feet  
I'm an elephant  
Walking through the jungle  
Picking up the loose wood  
Lying around here
