

Leave It Like It Is

The Prostitutes

We both thought
Emi
 It would last forever
C
 Now the memories gone
Emi
 Where did we go wrong

Theres no point in killing each other
C
 Theres no point at all
Emi
 Theres no point at all

Your offering peace instead of hope
C
Tell me what's worth more
Emi
Tell me what's worth more

Your taking away the cause of my smile
C
Tell me what's worth more
Emi
Tell me what's worth more

G	D
There's no point in killing each other	
Ami	
There's no point at all	
Emi	
There's no point at all	

G	D
Should we just leave it like	it is
	Ami
Should we just leave it like	it is
	Emi
Should we just walk away and	forget that we first met

Emi C Emi

I don't want to see your angry face
C
 In my dreams at night
Emi
 In my dreams at night

I want to remember the way that you were
C
When you used to smile

Emi

When you used to smile
