

She's a Prostitute

The Prostitutes

she's a pretty girl but she
hasn't got a fuckin clue what
to do
she did something that pretty girls should never do
she's a prostitute
she's a prostitute
she's a prostitute
she's a prostitute
she hasn't got a place to stay
not today
she's a victim of the circumstances that she's in
she went down to church
but they won't let her in
she's a prostitute
she's a prostitute
she's a prostitute
she's a prostitute
she hasn't got a place to stay
not today
she's a pretty girl but she
hasn't got a fuckin clue what
to do
she did something that
pretty girls should never do
she's a prostitute
she's a prostitute
she's a prostitute
she's a prostitute
she hasn't got a place to stay
not today
