The Prostitutes

I've been lost and I've been found
I've been up and I've been down
And I don't know who I am
And I don't know who I am
Thats just the way it goes
That's just the way it goes
That's just the way it goes for so long
That's just the way it goes
That's just the way it goes
That's just the way it goes
That's just life my friend now
I've been up and I've been down
I've fallen in love and lost my crown
and I don't know who I am
and I don't know who I am
That's just the way it goes
Here goes the modern man
Thats just the way it goes
Here goes the modern man
That's just the way it goes
That's just life my friend now
Thats just the way it goes
Here goes the modern man
Thats just life my friend now
Here goes the modern man
Here goes the modern man
Here goes the modern man
So high So down
Here goes the modern man
Here goes the modern man
Here goes the modern man
So high So down
Ive been a coward, brave
Happy and sad
Sad and sadder
Good and bad
Sane and mad
And up and down
I've been
Focused, confused and totally bemused
I've been an angel
I've been an angel
But if you look real close
You see the devil in me
I've been an angel
I've been an angel
But if you look real close
You see the devil in me
