

Time Wasters

The Quakes

I've got no time
for time wasters
always wasting my time
and its a crime
those time wasters
always wasting my time

Don't call my phone
leave me alone
Don't send me text
cause I'm already vexed
all the details
in your e-mails
cant you see your just wasting
your wasting my time

I've got no time
for time wasters
always wasting my time
and its a crime
those time wasters
always wasting my time
