

I Knew GG When He Was a Wimp

The Queers

I used to see a loser hanging at the back
GG used to drum in my band
He always had injuries
He wasn't too cool
But we always hung out when we can

He was mad at me anyway
He wore button down shirts with a tie
Even though I knew the guy was a trip
He was my favourite, he a tough guy, too

I got my voice and said get outta my house
I knew GG when he was a wimp
Every single week we ended up in a fight
I knew GG when he was a wimp
Stopping your pissing as well
We gotta show downtown
I knew GG when he was a wimp
