

Psychedelic Mindfuck

The Queers

Decisions take the best of me for the daily past
It's a bunch of bullshit crawling up my ass
Jesus won't you help me take it all away
He promised he'd do it if I'd only pray

It's psychedelic mindfuck
Psychedelic mindfuck yeah
It's a psychedelic mindfuck
It's a psychedelic thorn in my mind (my mind, my mind)

No one wants to be jamming out
I got no way out
It's been so fun
My friends are disconnected and they have no time

It's psychedelic mindfuck
Psychedelic mindfuck yeah
It's a psychedelic mindfuck
It's a psychedelic thorn in my mind (my mind, my mind)
It's a thorn in my mind

Psychopathic no ways good
I wanna slow it down

Everyone around me has to be at school

It's psychedelic mindfuck
Psychedelic mindfuck yeah
It's a psychedelic mindfuck
It's a psychedelic thorn in my mind (my mind, my mind)

It's a thorn in my mind
It's a thorn in my mind (psycho, mindfuck, psycho, mindfuck)
It's a thorn in my mind (psycho, mindfuck, psycho, mindfuck)
It's a thorn in my mind (psycho, mindfuck, psycho, mindfuck)
It's a thorn in my mind (psycho, mindfuck, psycho, mindfuck)
It's a thorn in my mind (psycho, mindfuck, psycho, mindfuck)
It's a thorn in my mind (psycho, mindfuck, psycho, mindfuck)
It's a thorn in my mind (psycho, mindfuck, psycho, mindfuck)
It's a thorn in my mind (psycho, mindfuck, psycho, mindfuck)
[to fade]
