## **Come Back to Me**

The Rapture

I welcome you back into my feet My spirit Loving spirit I welcome you back into my hands My spirit Frustrated spirit I welcome you back into my heart My spirit Nourishing spirit I welcome you back into my legs My spirit All loving spirit Aren't we all children I welcome you back into my ears My spirit Vibrating spirit I welcome you right into my head My spirit Strengthening spirit Aren't we all children I welcome you back into my feet My spirit Loving spirit I welcome you back into my hands My spirit Frustrated spirit I welcome you back into my ears My spirit Vibrating spirit I welcome you right into my head My spirit Strengthening spirit
