

# Temptation's 'bout to Get Me

The Rascals

Another day is just about gone now  
Lord and still I wait  
You'll never know how much I try to keep my faith and good humo  
ur

She won't write or phone, no  
Seems as if she's never coming home  
But in all my faith in love has gone, you'll hear me cryin'

Temptation's 'bout to get me  
Temptation's 'bout to get me  
Temptation's 'bout to get me  
All my strength will come tumblin' down

All my friends they seem to understand  
You know why they feel the same as I do  
She's your love you know, her very life is you

The days go by, I get weaker  
People my heart is strong, she made me weak oh  
I know, somehow I know if my little heart gets any weaker

Temptation's 'bout to get me  
Temptation's 'bout to get me  
Temptation's 'bout to get me  
All my strength will come tumblin' down

Temptation's 'bout to get me  
Temptation's 'bout to get me  
Temptation's 'bout to get me  
All my strength will come tumblin' down

Temptation's 'bout to get me  
Temptation's 'bout to get me  
Temptation's 'bout to get me  
Temptation's 'bout to get me
