Don't Lose Hope

The Red Jumpsuit Apparatus

I told myself That I was wise That I was strong But realized That I was much closer to wrong Do you believe in a future you can change Imagine everybody living for today Don't lose hope! Even though you can't see it I know Things are getting better Don't let go! We are here with you; you're not alone! Everyone needs time So don't lose hope You tell yourself That you are weak That you are so ugly And you cry yourself to sleep each night You're incomplete But do you believe in a future you can change (Lift up your eyes) Lift up your eyes And see that choice is linked to destiny Don't lose hope! Even though you can't see it I know Things are getting better Don't let go! We are here with you; you're not alone! Everyone needs time So don't lose hope In the darkness I feel blind (In the darkness I feel blind) Lead me back into the light (Lead me back into the light) In the darkness I feel blind (In the darkness I feel blind) Lead me back into the light Ohh woahh oh Don't lose hope! Even though you can't see it I know Things are getting better Don't let go! We are here with you; you're not alone! Everyone needs time So don't lose hope
