

# Get it Right

The Rembrandts

We made love in this room, you mended all my wounds  
You said that you would never leave me  
Now when I look in your eyes and try to just justify  
The words that you are speaking  
I've made some mistakes along the way  
But now I've got something I want to say

We're gonna get it right, why do we have to be so blind?  
Just to see the light, we're gonna get it right  
Oh yeah, when I was lost at sea, drifting endlessly  
You were the light that guided me back home

So throw me one line, you're not the hurtin' kind  
I'm floating 'round in circles, I'm not gonna fake it with you,  
girl  
You've got what it takes to rule my world, we're gonna get it r  
ight  
Why do we have to be so blind just to see the light?  
We're gonna get it right, oh yeah

They say, it's a foolish man who gives his heart away  
But I know this foolish man will win you back one day

I've made some mistakes along the way  
But now I've got somethin' I want to say  
We're gonna get it right  
Why do we have to be so blind just to see the light?

We're gonna get it right, oh yeah, oh yeah  
We're gonna get it right  
Why do we have to be so blind just to see the light?  
Yeah, we're gonna get it right, oh yeah, oh yeah
