

## That Kind Of Man

the ring of fire

Haven't you heard  
What they are sayin' seems so absurd  
It can't be true  
I can't believe it, it can't be you

Are you that kind of man?  
I just don't understand  
Why don't you show your hand?  
I keep hearing  
You're that kind of man

Heaven and earth  
Fall from your fingers, what is it worth  
Where is the crime  
Why does it linger, wasting your time  
Aren't you concerned  
Aren't you preparing your crash and burn

Are you that kind of man?  
I just don't understand  
Why don't you show your hand?  
I keep hearing  
You're that kind of man

Now you're going down  
Got those photographs you denied  
You look like a clown  
So surprised
