19th Nervous Breakdown

The Rolling Stones

You're the kind of person You meet at certain dismal dull affairs Center of a crowd, talking much too loud Running up and down the stairs

Well, it seems to me that you have seen Too much in too few years And though you've tried, you just can't hide Your eyes are edged with tears You better stop, a-look around

Here it comes, here it comes Here it comes, here it comes Here comes your 19th nervous breakdown

When you were a child, you were treated kind But you were never brought up right A-you were always spoiled with a thousand toys But still you cried all night

Your mother, who neglected you Owes a million dollars tax And your father's still perfecting ways Of making sealing wax You better stop, a-look around

Here it comes, here it comes Here it comes, here it comes Here comes your 19th nervous breakdown

Oh, who's to blame? That girl's just insane Well, nothing I do don't seem to work It only seems to make matters worse, oh please

You were still in school when you had that fool Who really messed your mind
And after that you turned your back
On treating people kind

On our first trip
I tried so hard to rearrange your mind
But after while I realized
You were disarranging mine
You better stop, look around

Here it comes, here it comes Here it comes, here it comes Here comes your 19th nervous breakdown

Oh, who's to blame? That girl's just insane Well, nothing I do don't seem to work It only seems to make matters worse, oh please

When you were a child, you were treated kind But you were never brought up right A-you were always spoiled with a thousand toys But still you cried all night Your mother, who neglected you Owes a million dollars tax And your father's still perfecting ways Of making sealing wax You better stop, a-look around

Here it comes
Here comes your 19th nervous breakdown
Here comes your 19th nervous breakdown
Here comes your 19th nervous breakdown

Here comes your 19th nervous breakdown Here comes your 19th nervous breakdown Here comes your 19th nervous breakdown
