## The Rolling Stones

Love comes at the speed of light Love comes at the speed of light Love comes in a strange disquise Love comes Open the door and let the light poour over Open the door don't you keep me out Open the door and let the light pour over Hear me shout Open the door and let the light poour over Open the door don't you keep me out Open the door and let the light pour over Love comes at the speed of light Love comes It's as pure as silver It's as pure as gold It's a rushing river Let it run all over me It's as pure as silver It's as pure as gold Let is run all over me Love comes Love comes at the speed of light

Love comes at the speed of light
